

BASE

BEFORE AND AFTER SCHOOL ENRICHMENT

Elementary Educational Instructor

Expanded Learning: TK-5th Grade

Under general supervision of program executives, candidate is responsible for the basic functions of the expanded learning program.

- Oversee enrichment program and manage a team of program instructors
- Co-create lesson plans with directors and lead students in enrichment course content (20:1)
- Program management: records, attendance, schedule etc.
- Collaborate/communicate with program executives and school personnel

Candidate must work well under pressure, think creatively, and must be great at multitasking. It is an excellent position for a recent graduate and/or someone desiring a career in education. We are seeking long-term candidates to grow with our organization and provide quality education to our students in these areas of focus: academics, athletics and enrichment. Candidates who can utilize their unique talents to enhance the program will have priority consideration. However, if you simply have a passion for teaching, this may be the opportunity for you.

In partnership with Oceanside Unified School District, BASE Programs operates on public school campuses

General Description:

Working on elementary school campuses, BASE Programs is an expanded learning program that provides quality enrichment opportunities to elementary aged students during non-school hours. We are a curriculum-based program with a focus on STEM, Visual & Performing Arts and Physical Education. In collaboration with Oceanside Unified School District, we provide expanded learning programs at 7 elementary schools in Oceanside.

Mission Statement:

Our mission is to empower youth to become lifelong learners with a spirit of creativity. This program is designed to encourage imagination, cultivate curiosity and spark creativity. Please visit our website for more information www.baseprograms.com

Essential Duties:

Assist in the preparation and implementation of monthly lesson plans. Lead class of 20:1 ratio in age appropriate lessons. Program coordination with school faculty and BASE team. Provide quality interaction with students, teachers and parents.

Qualifications: Bachelor's Degree (in progress or received). Experience working with school aged students.

Salary: \$17.00 - \$22.00 per hour
