

BASE

BEFORE AND AFTER SCHOOL ENRICHMENT

Elementary Educational Instructor

2021 2022 School Year

General Description

BASE Programs is an expanded learning program that provides quality enrichment opportunities to elementary aged students during non-school hours.

We are a curriculum-based program with a focus on STEM, Visual & Performing Arts and Physical Education. In collaboration with Oceanside Unified School District, we provide expanded learning programs at 7 elementary schools in Oceanside.

Mission Statement

Our mission is to empower youth to reach their greatest potential by becoming lifelong learners. The program is designed to encourage imagination, cultivate curiosity and spark creativity. Please visit our website for more information

www.baseprograms.com

Job Description

Under general supervision of program coordinator, candidate is responsible for the basic functions of the expanded learning program. Candidate must work well under pressure, think creatively, and must be great at multitasking. It is an excellent position for a college student, recent graduate and/or someone desiring a career in education. We are seeking long-term candidates to grow with our organization and provide quality education to our students in these areas of focus: academics, athletics and enrichment. Candidates who can utilize their unique talents to enhance the program will have priority consideration. However, if you simply have a passion for teaching, this may be the opportunity for you.

BASE Programs is in partnership with Oceanside Unified School District and is in compliance with all COVID Safety Standard regulations.
